

## Become a LutinX “Ambassador”.

Being a LutinX Ambassador means believing that only by working ethically is possible to grow and achieve ever more ambitious goals.

Being an Ambassador of LutinX means being our face in your City, Region, and Country, promoting the technology, building community, and trusting relationships among all new members.

You will be able to:

- Expand your network of relationships
- Be a reference for those who innovate
- Participate in our ethical and circular economy
- Access real financial opportunities

The main benefits are:

- Access a new community
- Promote your identity and your company
- Participate in exclusive events
- Obtain your BBadge confirming your Ambassador Status
- Add your name on LinkedIn, associated with LutinX.

And then there are the earnings! Being a LutinX Ambassador allows you to receive Ethical LRX directly to your business account. You can use them in our Shop and resell the purchased products, collecting the entire amount.

With Ethical LRX you can reduce the prices in our Shop by up to 100%, by collecting the entire value of our license, combined with training and consultancy, provided by your company.

### Growing as a team is our motto.

LutinX supports you in communication, training activities, and commercial opportunities. As an Ambassador you represent us, and you present us within your world. Together, we can.
